Description

The Scarab 2900 is a boat for driving - with her deep v hull and inboard mercruiser v8 there is effortless performance and plenty of thrills in store. In lovely original condition she has a large carpeted cockpit area for socialising with seating for six and a surprisingly voluminous cabin with settee, sink, storage and v berth. She has a new bimini enclosure, covers and clears, as well as reconditioned heads fitted to her engine. There is a lot of length and plenty of volume wrapped up in a performance sports cruiser and the possibilities are endless - a run upriver to the picnic grounds - outside for a spot of whale-watching, then off to dinner and overnight aboard at Darling Harbour maybe.

Engine

Engine Hours	1000
Horse Power (hp)	260
